

URGENT CARE

STOCKDALE MEDICAL OFFICES

There are times when you may need medical attention sooner rather than later. At Kaiser Permanente, we want to help you get the right care at the right time. Urgent care at our Stockdale Medical Offices is open 7 days a week, along with lab, X-ray, and pharmacy services.

What is an urgent care need?

An urgent care need is one that requires prompt medical attention, usually within 24 or 48 hours, but is not an emergency medical condition. This can include minor injuries, backaches, earaches, sore throats, coughs, upper-respiratory symptoms, and frequent urination or a burning sensation when urinating.

If you're not sure you have an urgent care need, call us. We can help direct you to the right place for care. You can reach us by calling **1-833-KP4CARE (1-833-574-2273)**.
